

30th European Champions Cup Luxembourg 2007 / Bulletin 1

Dear ETBF Members

It is with great pleasure that we are sending you the first bulletin containing the first set of information about the 30th ECC, the European Champions Cup 2007 to be held in Luxembourg.

The federation has a lot of experience organizing Ninepin events as many European Championships in that category have taken place in Luxembourg. The ECC will be the second major tournament after the EGC 2006 in Tenpin bowling to take place under the auspices of the ETBF. Our organizing committee will do its utmost to make this an unforgettable event for all participants.

The X-treme Bowling Centre is located in Foetz which is about 25 Km from the airport and 16 Km from the city of Luxembourg. About 6 Km from Foetz is a city called Esch-sur-Alzette with a pedestrian zone and many stores, cafes and restaurants. Within walking distance from the bowling centre is a big supermarket with many small specialty shops as well as different restaurants.

The hotels available are one good 3 star the “Stand’Inn” and an average 2 star the “Hotel de Foetz”, both about 3-5 minutes walking distance from the bowling Centre.

An internet site www.champions-cup.lu is available and will be updated on a regular basis informing you about the progress of the preparations of the tournament and to provide other information as soon as it becomes available.

Hope to see all of you in Foetz

Claude Legrand
Host Tournament Coordinator
